The show brushes the portrait of a chicken family, Rambert's favorite theme, to make him "a metator of the European family", according to Olivier Py. The beautiful share was given to French artists this year. "We only give one per person," says Caroline, who handles distribution at the Avignon Tourist Office. Olivier Py himself continues his work with the prisoners with Macbeth, after Antigone the tradition of Ann e of the Festival, the "Order Paper", a show for several days outdoors   is entrusted to the staged putter Blandine Saverier who rides the Odysse  D' Homer in thirteen acts.
